

Forbes MacDougall
Master, the Worshipful Company of Launderers
2018-2019

Biography

Forbes is a Chartered Accountant and Finance Director of Girbau UK. He has worked in the commercial laundry equipment industry since 1996 when he led the management buyout of the company. Subsequently, with CEO Peter Marsh, Forbes went on to expand the business to become a major player in commercial laundry equipment in the UK.

Forbes' commitment to the Livery Companies began aged 11, as a Grocers' Company Presentee to Christ's Hospital School. In his year as Master, Forbes aims to initiate the charitable funding necessary to send a child to Christ's Hospital School as a Launderers' Presentee.
