

WORSHIPFUL COMPANY OF MANAGEMENT CONSULTANTS

THE MASTER

Denise Fellows

Denise Fellows joined WCoMC in March 2002 after stepping out from over twenty years in the high tech sector where she had held a series of demanding roles, including leading the Telecoms group within Sema Group Consulting, Director of Consulting at UUnet Technologies and European Products Director within the internet services division of MCI WorldCom.

Denise helped found the Cass Centre for Charity Effectiveness (Cass CCE), jointly established by the Company and Cass Business School, and set up the Consultancy and Talent Development practice, which became the leading UK practice in the nonprofit sector supporting hundreds of charities and thousands of individuals.

She is part-time CEO of The Honorary Treasurers Forum, which provides support and advice, primarily through regular meetings, to treasurers of charities and is also involved in a voluntary capacity with a number of other charities including Treasurer of our own charitable fund and Area Minister of the Tertiary Franciscans in Berkshire.

Denise has a wealth of knowledge and experience around charity governance, strategy and finance and the complex and challenging environment in which charities operate, helping leaders and organisations in the nonprofit sector to be more effective, with a particular interest in federated charities. She is the author and editor of several books and is an Honorary Senior Visiting Fellow at Cass Business School.
