## **Sue Christensen - Master 2020 - 2021**

Sue was educated at Broughton Hall Convent of Mercy in Liverpool and joined the Inland Revenue in Liverpool the day after finishing her A levels on 4<sup>th</sup> July 1966. The job was intended to be a stopgap until she was old enough to commence studies at The Royal Manchester College of Music as a vocal scholar.

She moved to Garnett Crewdson Chartered Accountants in Manchester in 1969 to combine work and study, eventually deciding that as tax was fascinating and brought in a regular salary it was preferable as a career!

She is a member of the Committee of The Brigantes Association for London Liverymen in the North of England helping to arrange events on both sides of the Pennines for the many hundreds of members.

Her tax practice in Manchester caters for the Theatre, TV & Music industries.

She married Ian in 2006, another keen musician, and between them they have 3 children and 5 grandchildren to keep them very busy.
