

*THE WORSHIPFUL COMPANY OF  
TIN PLATE WORKERS ALIAS WIRE WORKERS*

Peter Wilkinson was installed as Master on 10<sup>th</sup> July 2018.

He is a director of P. Wilkinson Containers Ltd, one of the largest manufacturers & stockists of metal and plastic containers in the UK, offering packaging solutions from 50ml right up to 220L containers; and of William Say & Co, Ltd, manufacturer tin cans for many industries and are the last of their kind in central London. They are a family business that has been manufacturing metal packaging in central London since before World War 2.
